Attention: Application Examiner

RE: Request for Confidentiality
Applicant: Levven Electronics Ltd.
FCC ID: 2ADH9-G2CF

To Whom It May Concern:

Request is hereby submitted by Levven Automation Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description

Levven Automation Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Levven Automation Inc. is aware that the information has been made public on the Internet, even so, Levven Automation Inc. would like to request long term confidentiality from this point forward. The original request for confidentiality was made in error, and was only recently discovered.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Qualie".

Jim Qualie
Director of R&D
